FOR IMMEDIATE RELEASE

Bacharach Launches New Indoor Environmental Quality (IEQ) Products

NEW KENSINGTON, PA (December 16, 2010) – Bacharach Inc., a leading USA manufacturer serving the HVAC/R industry for over 100 years, is pleased to announce the release of new Portable Gas Monitors available in two models, the Comfort Chek™500 and the IEQ Chek™ Series.

The **Comfort Chek™ 500** is a lightweight handheld Carbon Dioxide (CO₂) air quality monitor equipped with a stable (CO₂) IR sensor that measures and displays 0-5,000 ppm, in addition to temperature and relative humidity sensors. The Comfort Chek™500 is economical and easy to use and includes features such as long run time (up to 24 hours), datalogging (up to 26,000 data points) and a USB output for remote data download with IQ Chek™ Datalogging Management Software.

The **IEQ Chek™** Indoor Environmental Quality monitor has a 7-sensor capacity and measures, monitors and records temperature, humidity, CO₂ (NDIR-based), and up to four additional plug and play sensors. Available with or without an on-board pump for sampling the air, the IEQ Chek™ has a wide selection of sensor options such as Carbon Monoxide (CO), Oxygen (O₂), Nitrogen Dioxide (NO₂), Nitric Oxide (NO), Formaldehyde (HCHO), Sulfur Dioxide (SO₂), Ammonia (NH₃), Hydrogen Sulfide (H₂S), Combustible Gases and Volatile Organic Compounds (VOC's). The IEQ Chek™ is used for a variety of applications, including indoor environmental quality monitoring, HVAC measurements, ASHRAE/ANSI compliance, process operations in non-hazardous environments, incubator verification and other medical applications.

For more information on the Bacharach Comfort Chek™500, IEQ Chek™ or any of Bacharach's products and services, please visit www.MyBacharach.com or contact customer service at +1-724-334-5000.

About Bacharach Inc.

Bacharach Inc. is a world leader in the design, manufacture, and service of advanced test and measurement instrumentation. For over 100 years, the Bacharach brand has served the HVAC/R industry with products made in the USA and designed for residential, commercial and industrial applications. The company's extensive product line includes instruments that detect, measure and record combustion, refrigerant and environmental gases, temperature, humidity and other air quality and safety parameters. A full-line of refrigerant recovery equipment for residential, industrial and automotive applications further extends Bacharach's family of products. For more information on Bacharach Inc., its products and services, or any new developments please visit their website at www.MyBacharach.com or contact customer service at +1-724-334-5000.
